\$25,000-\$49,999 – 4 tickets

\$50,000-\$99,999 – 6 tickets

\$100,000+ – 8 tickets

ADDITIONAL CLARIFICATION AND GUIDELINES:

- Total fundraising is based on total 2025 fundraising efforts (as of January 10, 2026).
- Tickets do **NOT** include a plus one.
- Unfortunately, we will not be able to accommodate any additional seat requests or exceptions.
- Seat invitations are non-transferrable.
- The above minimums apply equally to individual fundraising individuals and members, regardless of team association.

Team Fundraising

The above minimums also apply to teams with multiple fundraising members.

- If a team has one or more members with \$10,000 on their individual page(s), those individuals will qualify for MVP tickets directly and will receive notification as such.
- Any additional team funds (in surplus of the monies raised by qualifying team members) will be credited to the team captain. If that total equals or surpasses \$10,000, the captain will receive notification and be responsible for distributing/coordinating tickets accordingly.
 - *Ex. Team A has raised \$65,000. Team member A1 raised \$26K and team member A2 raised \$11K. Team member A1 will qualify for 4 tickets; member A2 will qualify for 2 tickets; and Team A captain will qualify for 4 tickets (as a result of the remaining \$28K credited to the team, as a whole).*
- If a team raises \$10,000+ but does NOT have one or more members with \$10,000 on their individual page(s), the captain will be credited with the team's collective fundraising. S/he will be notified as such and will be responsible for determining seat allocation and attendance amongst team members.
 - *Ex. Team B has raised \$65K, but no individual team members have raised \$10K+. Team B captain will receive an allocation of 6 tickets, to be distributed amongst the team for their collective efforts.*
